A lot of us fought for and are rightfully proud of our Connecticut Public Finance Laws.

Shady doings. Please don't acquiesce to efforts by outsiders to mess with the clear mandate of our residents.

The advisory opinion issued by the Connecticut State Elections Enforcement Commission seeks to weaken our hard-won campaign finance laws that have contributed to a steep decline in corruption in Connecticut. Please negate it with your ruling later this month. It's important that outside spending not influence our state elected officials and their duty to serve the people of Connecticut.
