

**Negate the Connecticut State Elections Enforcement Commission's Advisory  
Opinion of February 2014**

The advisory opinion issued by the Connecticut State Elections Enforcement Commission seeks to weaken our hard-won campaign finance laws that have contributed to a steep decline in corruption in Connecticut. Please negate it with your ruling later this month. It's important that outside spending not influence our state elected officials and their duty to serve the people of Connecticut.

Allowing funds from the federal account to be used for a state election defeats much that has been accomplished through Connecticut's campaign laws.
